Norway Outdoors provides wholesale travel arrangements and incoming services to the East of Norway and has its main focus on travel to nature, outdoor activities and norwegian tradition Summer and Winter.

We offer components or complete arrangements to create tours and trips.

We provide English, French, Dutch and Norwegian speaking specialised guides for several outdoor and cultural activities for adult groups or families.

We also offer open canoe courses and trips as well as arrangements for groups of canoeists with excellent canadian canoes (Esquif, Novacraft).

co-owner at Vaderzoon.be - Perefils.be

2008 - Present (4 years)

In Scandinavië is het een diepgewortelde traditie. Elke vader-zoon relatie heeft zo wel zijn verhaal over de mooiste spot met die ene kanjer van een vis (die trouwens elk jaar groter wordt ;-)) De mooie kampplaatsen, de ondergaande zon, staren in het open vuur, die kano of wandeltocht naar de "mooiste plek van de wereld". Met onze jarenlange ervaring in het buiten zijn als kano instructeurs en reisbegeleiders; geven wij Belgische, Franse of Nederlandse (groot)vaders en (klein)zonen ook graag de gelegenheid om te onthaasten bij de mooiste spots, zonsondergangen, kampplaatsen, woudhutten, riviertjes of moerassen tijdens weekend activiteiten kortbij.

Forts de notre expérience d'accompagnateurs de voyage et d'instructeurs canoë, nous voulons proposer aux (grand)pères et (petit)fil, l'opportunité rare de se détendre, entre hommes, à la faveur de longues marches, de descentes de rivières en canoë ou en kayak de mer; de se poser pour admirer le coucher de soleil sur les rivières vierges et sur les lacs ; de chercher ensemble un lieu de campement; de se réfugier dans des huttes de forêt. Nous voulons les inviter à partager de bons moments ensemble, à s'accorder du temps. Nous organisons aussi bien des excursions d'un jour que des week-ends près de chez nous ; ainsi que des programmes plus longs en Norvège.
